Life-Giving Protein Termed Real 'Elixir of Youth'

By LELORD KORDEL

Number Two of a Series

Protein is a food element as vital to human life as oxygen. Yet how many persons have more than a nodding acquaintance with the word?

Many people are as mixed up about protein as was a service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience in a city where I lectured no service of an audience of member of an audience in a city where I lectured no know more about the "elixir of youth," it was those tired aggard, old-looking people who sat before me that long ago. I had worked hard to put over the urgently

know more about the "elixir of youth," it was those tired haggard, old-looking people who sat before me that night And yet I was positive that very few of them had reached some task rather than a pleasary more than their middle 50's. ure!

They were still young in years, Protein is the safeguard of but even their spirits seemed to your youthfulness and good have wrinkles.

And, like the parts of any constantly operated, non-resting manchine, your body cells are continually wearing out, needing repairs or replacements.

And concluded my lee-ease, besides being one of the ture and stepped down from the best medicines for numerous huplatform, a man as worn and weary consider the real nutrition mirated backing as any of the others do acceler.

MORTGAGE LOANS **FIXANCIA**

was a resident of Elba in his

younger days. He was born in Pike County, but during the

later days of the War Between

the States he joined the Home Guard and was stationed as a

guard at the Elba courthouse

at the age of 17 years. When peace was declared he

was at his post at the Elba

Courthouse. He is one of the

ery few surviving Confederate

many columns of publicity in the

oress throughout the nation.
